NEWS ANALYSIS AND OPINION

2013-05-07

<https://www.youtube.com/watch?v=EE-EMPEGpCA>

An innocent woman is sent to prison for life without the possibility of parole for protecting his children during a brutal home invasion.

In 2004, the mother's now estranged ex-husband confessed that he (Michael Roberts) was the one who did the very acts which later Roberts friend (prosecutor Ben Smith) falsely claimed was the motive of his friends estranged ex-wife, Tracey Richter.

Evil Doers

Murder or no murder, Tracey Richter was the enemy. No evidence needed, only accusations repeated often enough that they were accepted as evidence. [continued below]...

Report Attachments:

..... If there were honorable journalists, and not a corps of subservient Prostitutes, they would rip apart Smith for his arrogant and baseless assumptions and calculations.

They would expose as a fool Ben Smith for idiotically prosecuting a case against his friends estranged ex-wife, after months earlier attempting to help secure him a business loan.

KIDDE CRAP

If journalists were not Prostitutes, they would mock Smith for claiming that "top secret evidence existed", that was not public knowledge. They would describe him as deranged for his willingness prosecute his friend's ex-wife for murder claiming he had evidence Tracey Richter 'She had accused her first husband of being a baby raper, and later accused Michael Roberts of child abuse', yet it was Smith's friend Michael Roberts whom when an investigation into Dr. John Pitman was about to be dismissed, Roberts proffered new allegations accusing Dr. Pitman of raping his son, he also states on the same audio recording of Dustin Wehde trying to rape and murder his wife.

WHO'S IN CHARGE OF THE ASYLUM

And, if journalists were not Prostitutes, they would ridicule Smith that the MOTIVE the prosecutor used to convict Tracey Richter, is the MOTIVE which would have convicted his friend, Michael Roberts, who conveniently was placed in 'witness protection', making him impossible to subpoena. Roberts with the help of Smith has taken his kids against the Judge's order to Australia. This is more disturbing once you understand that when Roberts accuses both Pitman of rape and Wehde of attempted rape, it was when he was AGAIN being interviewed for bruising on his two youngest children (the ones he removed from the USA).

ACCESSORIES TO THE CRIME

The Prostitutes pressed on, reporting propaganda as fact. It was Michael Roberts, not Tracey Richter whom 1), admitted to "having violent thoughts about Dr. Pitman", 2) reported Dr. Pitman of being a "baby raper" once it appeared an allegation into fondling was to be dismissed, 3) according to Dr. Pitman's testimony it was Michael Roberts who in 2004, sent him crime scene photos which included Ben Smith's "top secret evidence", this "secret evidence" was available in public records, and was often circulated by Roberts.

Author's Note: In 2011, I was threatened with arrest if I set foot in Iowa during and shared what I know about Tracey Richter and Michael Roberts, which of course was intimidating given Roberts relationship with Smith.

April 2013, I was provided a link which purported to be a 'Motion to Squash' by Ben Smith of SAC County, Iowa. This motion is to block my providing Tracey Richter's attorneys which will prove Tracey's innocence. The reader should be aware that according to Earl Hardisty the former Prosecutor, he was "threatened" and felt Smith was trying to "intimidate" him after telling Tracey's defense attorney of exculpatory evidence the Prosecutor's office was in possession of, which would have exonerated

The motion to suppress my evidence and first-hand knowledge also contained statutes for being arrested in Iowa and California. Obviously this was another effort to chill my free speech. An innocent woman is in prison without the possibility of parole, in essence it is a death sentence. I will not be intimidated by false charges claiming I am a 'private investigator', I am not, nor have I ever told anyone that I was. I was a victim of Michael Roberts / Rexfield as have been countless parents, and other victims.

The First Amendment to the United States Constitution provides every American citizen the fundamental right to engage in free speech without being prosecuted by the government.

SAC County Prosecutor Ben Smith Michael Ross Roberts Authorized Witness Intimidation

AUTHOR: Darren M. M - ()

SUBMITTED: Thursday, October 03, 2013

This Video is my news analysis and opinion. Documents in the video are available for law enforcement and news media.

Almost everything you think you know about the Tracey Richter narrative is false.

View the video to understand why Michael Roberts Rexfield and SAC County Prosecutor Ben Smith will likely be desperate to get this video removed from the Internet, just like they have with other incriminating documents, videos and articles they successfully had removed from other forums and search engines, even documents from county offices / agencies are now gone. Documents in the video were all part of discovery but never used and not lost by the defendant. (The attorney for Tracy Richter Roberts had but never used any of the featured evidence at trial.) Threats from Roberts to remove evidence and letters from a County Prosecutor have worked on other forums and or search engines, they will not work with Ripoff Report.

I published this because I believe in doing what is right. Others featured in the video will claim otherwise. My name is Darren M. Meade and I am an advocate for victims of injustice. I will not relent until the truth has been documented. Based on information and belief Michael Roberts orchestrated the deadly home invasion. He planted evidence (pink notebook) paid alibi witnesses and much more.

Documents in the video are available for law enforcement and news media.

Duh

AUTHOR: Reuben - ()

SUBMITTED: Sunday, August 25, 2013

She can't provide any evidence because there is none. She did it. Unless aliens came down and shapeshifted themselves into looking like her and then planted the evidence to make it look like her (why would aliens care anyways?) all evidence points to her doing the crime. She was found guilty beyond a reasonable doubt and now has to pay for her crime. The only corruption here is the corruption of the minds that somehow refuse to believe the evidence in the case and still think she didn't do it. This report should be removed from this site because it's a false claim with no evidence to back it up. This is a ripoff report site, not a wild unsupported accusation site. That would be the tea party website if you want to do that.

Really???

AUTHOR: Stacey - ()

SUBMITTED: Friday, May 10, 2013

Please provide the evidence that this "woman" did not commit this murder!!! She was found GUILTY by her peers and sentenced for her crime. This happened 12 YEARS ago and her appeal to the Supreme Court was submitted in 2011. Guess her avenues are running out.

Please enlighten me about this evidence that she has been framed and did not commit said crime.
